Description

GUIDE PRICE £400,000 - £425,000

Stevens are delighted to offer for sale this five-bedroom family home, located in Wantley Hill, just moments from the centre of Henfield & the High Street. In our opinion, this property will appeal to those seeking extra space, as it is arranged over three storeys. Early viewing is highly recommended!

The house is set back from the road in a quiet cul-de-sac and is presented in good condition throughout, further enhancing the ability to move straight in. The accommodation includes an entrance hall that leads to a spacious 15.8-foot living room overlooking the front lawned garden. The recently refitted kitchen features sleek matte units, finished with neat chrome handles, which conceal both integrated Washer/Dryer and Dishwasher. This stylish kitchen is complemented by a contrasting white tile splashback with grey grout, making it a fantastic space for entertaining. Previous window space is cleverly used to connect the kitchen to the conservatory, which currently serves as the family dining area.

Stairs lead to the first floor, where three of the five bedrooms are located, along with the family bathroom. The sizable main bedroom currently has space for bedside tables, wardrobe and a dresser, while bedrooms two and three are currently used as home office spaces but could easily serve as a generous double bedroom and a single bedroom, respectively. Proceeding to the top floor, you'll find the remaining two bedrooms, both equipped with Velux windows and plentiful eaves storage space.

Outside, there is a timber potting shed, whilst the garden is mostly laid to a level lawn, complemented by a paved pathway that leads to a rear sun terrace, perfect for hosting family barbecues when the weather permits!
