Description

Offered for sale with the benefit of no onward chain, this semi-detached bungalow is located in a prime location, set back from the road and just moments from Henfield High Street. This is a property not to be missed!

The property is accessed through a set of picket gates, enhancing its character and charm. It is further sheltered from the street, by a privet hedge and mini orchard providing additional privacy.

Upon entering, you will find a large living room that extends to 15'9" at the bay window, featuring an inviting open fireplace. The bright kitchen offers a pleasant view of the rear garden and includes ample work surface space, both floor and wall-mounted storage, as well as a convenient breakfast bar. The bungalow boasts two double bedrooms and a family bathroom, which is finished in a half-tile pattern. While the property could benefit from some modernisation, the potential for improvement is vast, including the option to extend into the roof space, as many nearby homes have done (STNC).

Outside, the rear garden is divided into two parts and is laid to lawn, adorned with numerous established trees. The first section features a large timber cabin that could serve as a workspace, gym, or playroom, while the rear of the garden has a patio area and two additional timber outbuildings.

We highly recommend an early viewing to appreciate all that this charming bungalow has to offer. Call Stevens Estates to arrange your internal inspection today!
