Henfield

Henfield village offers local amenities including shopping facilities, village hall, library, health centre, churches, primary school and sports centre. A bus service passes through the village to the town centres of Horsham and Brighton offering more comprehensive shopping and leisure facilities. The nearest mainline stations are at Hassocks, Burgess Hill, Horsham, Haywards Heath and Shoreham-by-Sea. Crawley, Gatwick Airport and London are accessible via the A23/M23.

Description

Stevens are delighted to present this well-maintained semi-detached home located on the outskirts of Henfield village, on the popular Borrer Drive. The property directly overlooks green open space and provides easy access to the South Downs Link. The current vendors have kept the home in excellent condition since it was built.

Upon entering, you are greeted by a bright entrance hallway that provides a spacious feel and pleasant views of the rear garden, enhancing the natural light in the home. To the left, the fully fitted kitchen features a recently added breakfast bar—perfect for grabbing a morning coffee. Ample work surfaces on two sides make meal preparation easy, and high and low-level white high-gloss wall-mounted cupboards offer plentiful storage while cleverly concealing essential appliances, contrasting nicely with the black worktops.

The living area is spacious and bright, accommodating a large dining table and long sofa. Glazed French doors seamlessly connect this space to the rear garden, making indoor-outdoor living easy.

Stairs lead to the first floor, where you'll find all three bedrooms and the family bathroom. The first and second bedrooms are sizeable doubles; the principal bedroom includes built-in storage and a plush en-suite shower room. The third bedroom is currently used as a nursery and features an adorable animal mural. At the end of the hallway is the family bathroom, equipped with matching white sanitary ware and contemporary black floor tiles.

Outside, the garden is long and divided into three distinct areas: a patio off the lounge for enjoying indoor-outdoor living when the weather is pleasant, a middle area laid to lawn, and a raised decked terrace at the rear that captures the sun at the end of the day. Additionally, there is a large attached garage accessible via a personal door at the rear and an up-and-over door at the front, where parking is allocated, the current vendors have also installed an electric car charger.

In our opinion early viewing is essential to fully appreciate all this family home has to offer!
