Description

Stevens are delighted to offer for Sale this substantial detached bungalow, set back from the road, on one of Henfield's sought-after roads. With three good-sized bedrooms, a favoured south-westerly-facing rear garden, and offered for Sale with No Onward chain.

Accessed via a sliding glazed storm porch, as you pass the pretty front garden, over the private driveway. The property leads with two large double-bedrooms, both of which have a pleasant view over the rear garden and feature built-in storage cupboards. The main corridor leads to all principal rooms, where the double aspect Living Room flows into the dining space, then furthermore to the kitchen. With a large window allowing light to fill the room, highlighted by cream high & low storage cupboards and light wood work surfaces on two sides, whilst a continuation of the worktops allows for white goods to be housed underneath.

The family shower-room and a separate W/C can be found at either end of the hallway, and are finished in a neat half-tile pattern. Whilst there are also three storage cupboards found in the middle.

At the rear of the property is either bedroom three, an office or a playroom, which then leads to a glazed conservatory which overlooks the favoured South-Westerly facing rear garden. The mainly laid to lawn garden feels very private due to mature trees on the three sides, and very colourful due to established rose bushes.

In our opinion, the property does need some modernisation; however, this would give the next owners the chance to put their stamp on things whilst being in one of Henfield's most popular roads!
