## Description

Originally known as the "Cambridge" and built in 2018, this beautifully presented detached family home offers a bright and airy living space with a huge amount of flexibility. Surrounded by green areas, including a play park at the front and located on the fringe of the South Downs Link, this property is perfectly situated on the outskirts of Henfield Village, providing easy access to all essential amenities.

Upon entering, you'll find the condition of the home to be immaculate, and has only been further enhanced by the current owners. The wide entrance hallway offers the first glimpse of the garden, with a spacious office area on the left that could serve as an additional fifth bedroom if needed. Additionally, there is a conveniently placed downstairs W/C discreetly tucked away behind a panelled door.

The kitchen and dining area extend across the entire rear of the property, filled with light due to the southerly aspect. The recently renovated kitchen, along with the separate utility space, feature an abundance of storage and beautiful countertops centred around a breakfast bar. The lounge, which flows from the dining space, can be closed off for a cosier atmosphere when needed.

Stairs lead to the first floor, where all four spacious double bedrooms are conveniently located off the wide landing. Bedrooms two and three both include built-in storage, while bedroom four, still a generous double, is currently used as a home office. These bedrooms share a family bathroom that boasts a stylish contrast, featuring white sanitary ware set on top of black floor tiles. The principal bedroom offers a luxurious feel with double aspect windows, complete with an elegant en-suite shower room.

The property sits on a wide plot and boasts two parking spaces, leading to a garage equipped with an up-and-over door and power. The rear garden features a full-width patio area, perfect for entertaining and al fresco dining, with the remainder laid to lawn and surrounded by attractive flower beds.

In our opinion, early viewing is essential to truly appreciate the immaculate condition and move-in readiness of this delightful family home!
