Description

Delightfully located at the end of this quiet Cul-De-Sac, Strathcan is a deceptively spacious detached bungalow that has been previously extended, with an added sense of privacy thanks to wrap-around gardens on three sides.

Internally, the versatile, well-proportioned accommodation is excellent for growing families or those wanting a bit of extra space, with a dedicated hobby/play room that could easily be converted into bedroom four without affecting any other areas of this spacious property. The three double bedrooms are all bright and airy, with a pleasant view over the front garden area, whilst a separate shower room to the W/C ensures there are no queues in the morning, but could be amalgamated into one should you want.

The double aspect Kitchen, Living room and Dining area all overlook the rear garden and benefit from large Westerly facing windows. There are three access points to the rear garden too, with a door from each of these rooms; however, the lounge does go via a large glazed conservatory - a perfect spot to enjoy the sunny aspect!

Outside, the garden is mainly laid to lawn the whole way round the property whilst there is also a greenhouse and further shed for storage. To the front, the property has private vehicle parking and access to the garage, which has an up-and-over door and a personal door to the side.

In our opinion, an early viewing is deemed essential to appreciate the size, flexibility and quietness of all this Detached Bungalow has to offer!
