Langlands Lodge Main Road, Blairgowrie, PH13 9NP Offers Over £349,995

In the 1990s an extension was built to replace a dilapidated garage. This extension, leading off the kitchen, consists of a double garage, (with plumbed-in double sinks and separate tap for a garden hose), a shelved store, a shower room with toilet and a very large utility room. Stairs lead up to a large landing and another double bedroom, currently used as a studio. There is easy access from this to ample storage space in the eaves. This extension could, relatively easily, be converted into a totally separate living unit.

The large garden is planted to provide shelter from the road and to encourage bumblebees. There is also a very productive vegetable patch with several apple and plum trees. A large wooden greenhouse, a children's playhouse and garden sheds are included. There's also a space to safely park a caravan.

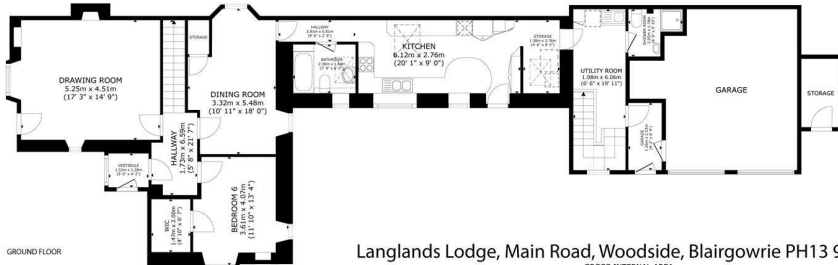

Location: The village of Woodside adjoins the village of Burrelton. Between them there's a small grocery/newsagent, a butcher, a service/MOT garage, a football pitch, tennis court and bowling green and ample places for dog walking. Excellent Mountain Biking routes, as well as walking, on North Ballo hill 2 miles from Woodside. Woodside and Burrelton are more or less equidistant from Perth and Dundee, both served by a frequent bus service. Coupar Angus, also on the bus routes, has a GP surgery, dentist, chemist a big Co-op (with Post Office), fish and chip shop, and an Indian restaurant among other amenities. The three star Red House Hotel in Coupar Angus includes a restaurant, function room, and a small gym which are open to non-residents. Blairgowrie, 6 miles away, has the usual amenities of a small town including big supermarkets.

Schools: The nearest primary school is located in the nearby village of Burrelton and a choice of either Perth Academy or Blairgowrie High School in Perth. There is a wide choice of independent schools across Perthshire.
