Located in the well-regarded village of Crossways, this detached bungalow with a garage and two double bedrooms offers a well-designed and comfortable living space. The home features a spacious living room, a modern open-plan kitchen and dining area, two generously sized bedrooms, and a stylish, updated shower room.

Externally, the property benefits from a private driveway offering off-road parking, a separate garage equipped with power, pitched roof and a sizable rear garden.

Upon entry, the front door opens to a welcoming hallway that includes built-in storage options, an airing cupboard, and access to the loft. On the right side of the hallway are both double bedrooms, each well-lit thanks to large windows and offering ample room for furnishings.

The living room enjoys plenty of natural light through dual-aspect double-glazed windows and features a decorative fireplace. An open arch connects this space to the kitchen, which comes equipped with coordinated wall and base units, a gas hob with extractor, a wall-mounted boiler, and designated spaces for other appliances.

The shower room is contemporary in style, including a large walk-in shower, toilet, wash basin and a heated towel rail for added comfort.
