A well-maintained and spacious three-bedroom home offering a thoughtfully designed layout and a sunny southerly garden with parking. Offered with no onward chain.

Well presented throughout, this property features a generous living space at its heart — an inviting room with ample room for furniture and versatility in layout. An understairs cupboard offers practical storage and a door flows into the kitchen.

At the rear, a clean-lined kitchen blends ample cabinetry set against modern white tiling for a smart, low-maintenance finish. Adjoining it, the garage has been adapted to offer a dedicated dining area that provides extra room and practicality. A cloakroom completes the ground floor perfectly.

Upstairs, all three bedrooms are genuine doubles — a valuable feature not often found in properties of this style. Two include built-in wardrobes, and all offer scope for home working or guest use. The main bathroom is neatly finished with neutral tiling, a vanity basin, and a full-size bath with shower over.

Outside, the garden enjoys a sunny aspect and has been landscaped with ease of upkeep in mind. A generous patio invites outdoor dining or relaxation, with private gated access leading to the driveway. The former garage has been adapted to include the dining area so is now a generous storage area that still retains the garage door for ease of access.
