This well-proportioned end-of-terrace home offers generous proportions & boasts two reception rooms, low maintenance southly aspect garden and is close to a range of amenities.

At the front of the property, the main living room enjoys a bay window, a feature fireplace, and a wood-burning stove—an inviting focal point that adds both charm and warmth. To the rear, the separate dining room benefits from plenty of natural light and leads through to a modern kitchen fitted with a range of storage units, space for appliances, and a door opening directly onto the garden.

The first floor provides two comfortable double bedrooms, including a generous main bedroom stretching across the full width of the house with twin front-facing windows.
