Wilson Tominey are delighted to present this well-appointed two-bedroom home, offering a stylish contemporary finish, a westerly aspect garden, solar panels, unique gated parking and a bright lounge/diner. With well-proportioned rooms throughout, it provides an efficient, modern home close to a range of local amenities.

The hub of the home is the generous lounge/diner positioned at the rear. Its dual-aspect design creates a bright, inviting space with flexibility for a variety of layouts and furnishings. Double doors open directly onto the garden, beautifully blending indoor and outdoor living. Adjacent, the contemporary kitchen offers ample worksurface and storage space, in built NEFF hob, microwave & oven and room for white goods, and enjoys a pleasant outlook over a small greenspace. A sizeable cloakroom completes the ground-floor accommodation.

Upstairs, both bedrooms are well-proportioned doubles with plenty of space for furnishings. Bedroom one is a particularly attractive room, illuminated by two windows that enhance the sense of space and light. Bedroom two is another comfortable double with a westerly aspect window.

The family bathroom is finished with sleek modern tiling and includes a bath with shower over, hand basin and WC. A useful storage cupboard on the landing adds further practicality.

The rear garden is a standout feature, differing from many on the estate. Large wooden gates frame the rear entrance and open onto secure driveway parking for two vehicles. The garden itself offers a patio adjoining the home—ideal for entertaining and enjoying the westerly aspect—leading to a generous cabin equipped with power & bike shed providing excellent versatility. A small lawn adds greenery and borders the parking area.
