Ground Floor

The entrance opens into a hallway with a downstairs WC, and a large bright and airy open plan living and dining area. The separate kitchen is high-end with plenty of cupboard space and integrated appliances, whilst overlooking the private south facing garden. The kitchen also boasts a utility room which is an added bonus, in addition to an office/study overlooking the front and making the property ideal for anyone working from home.

First Floor

Upstairs offers four good sized bedrooms with a sizeable modern bathroom, all of which provide the space and facilities for any growing family. It is worth noting that bedrooms two and three which are positioned at the rear of the property, have stunning and elevated views over the valley of Berkhamsted.

Outside

To the front of the property is a good size driveway with the option to extend this to accommodate more cars subject to STNP. There is side access available. The south facing rear garden is fully enclosed by a range of fencing with a paved patio area that is ideal for entertaining, with a couple of steps leading to the main portion of the garden. This is laid to lawn in the centre section with a second paved patio area to the right and a shed to the left.

The Location

Berkhamsted itself is a busy market town, located to the West of Hertfordshire and just 30 minutes from London by train. Perhaps the town's most prominent role in National affairs came in 1066 when William the Conqueror was handed the English Crown. Berkhamsted Castle was built following the granting of the crown, and famous names associated with it include Geoffrey Chaucer who was Clerk of Works, and Thomas Becket who was Constable of the Castle in the 12th Century. Substantial ruins of the Castle still remain today.

Transport Links

Today, the town is highly desirable for commuters, with excellent transport links by road and rail. The mainline train station provides a regular and direct link to London Euston in a little over 30 minutes. Major road connections nearby include the M25 (J20) and the M1 (J8 and J9). The A41 dual carriageway runs to the South of the town, providing an excellent connection to Hemel Hempstead, Watford, Tring and Aylesbury.

Education in the area

A wide range of education options are available in Berkhamsted and the surrounding area. A mix of comprehensive and independent institutions from nurseries and primary schools to secondary schools and colleges make this area an ideal place for families. The little ones can attend one of the many Outstanding primary schools such as Westfield Primary and Nursery and St Thomas More Catholic Primary. Bridgewater School is on your doorstep! The local secondary school, Ashlyns, caters for older children as well as providing a sixth form. Berkhamsted School is an independent day and boarding school offering both single sex (from age 11-16) and co-educational teaching for boys and girls aged 3-18.
