Ground Floor

A spacious entrance hall welcomes you into this property with stairs directly ahead of you rising to the first floor landing with a door to your left opening to a dedicated study which can also be used as a snug. To the right hand side a door opens to the principal reception room which measures in excess of 24 ft in length and is triple aspect with windows to the front, side and French doors opening to the rear garden. From here doors also open directly to the dedicated dining space to the open plan kitchen area. The kitchen area itself is fitted with a comprehensive range of base and eye level units with solid quartz worktops and an overhang breakfast bar area. The kitchen has a number of integrated appliances and opens directly to the garden/family room which has a magnificent vaulted ceiling and window to three elevations. The kitchen also boasts a dedicated utility room which opens directly to the rear garden. A ground floor cloakroom completes this level.

First Floor

The spacious landing area has doors opening to the primary four bedrooms two of which are well served by the luxuriously appointed family bathroom and two of which boast ensuite bathrooms. In addition to the ensuite which has twin vanity unit and separate bath and shower cubicle, the principal bedroom also has a walk in wardrobe. Another staircase ascends to the second floor landing.

Outside

The entrance opens to a characterful block paved driveway which leads to the detached brick built garage with electric roller door and courtesy door opening to the side. There is an outhouse which has the filtration system and pumps for the swimming pool which is heated via an electric air source heat pump designed for costs efficiencies. Alongside this is a changing room with shower, wc and wash basin. Further outbuildings include a detached garden cabin which makes an ideal 'teenagers hangout' in the summer months or a great place to pull the doors back and enjoy the sporting seasons on the tv with family and friends over the summer months. The 10 meter swimming pool descends to a good depth while the shallow end is beneficial for the little ones.

The Location

The property forms just one of three detached family homes, located within the exclusive Ashlyns Grove development, just over 0.5 miles from Berkhamsted High Street and mainline station into London Euston. Road links include ease of access to the A41, M1 and M25.

Berkhamsted itself is a busy market town, located to the West of Hertfordshire and just 30 minutes from London by train. Perhaps the town's most prominent role in National affairs came in 1066 when William the Conqueror was handed the English Crown. Berkhamsted Castle was built following the granting of the crown, and famous names associated with it include Geoffrey Chaucer who was Clerk of Works and Thomas Becket who was Constable of the Castle in the 12th Century. Substantial ruins of the Castle still remain today.

There is a good range of leisure facilities in the area. There is walking and riding just minutes away in the surrounding countryside and on the National Trust's 5,000 acre Ashridge Estate, while nearby golf courses include Ashridge, Berkhamsted and The Grove. The area offers excellent schooling, including Berkhamsted School, founded in 1541, and Tring Park School for the Performing Arts. Berkhamsted offers a wide range of shopping, from independent boutiques to national names such as Waitrose and M&S Simply Food. The larger towns of Hemel Hempstead and Watford offer wider facilities. Milton Keynes and London are both easily accessible too.

Transport Links

Today, the town is highly desirable for commuters, with excellent transport links by road and rail. The mainline train station provides a regular and direct link to London Euston in a little over 30 minutes. Major road connections nearby include the M25 (J20) and the M1 (J8 and J9). The A41 dual carriageway runs to the South of the town, providing an excellent connection to Hemel Hempstead, Watford, Tring and Aylesbury.
