#### The Accommodation - Ground Floor

Typical of a detached chalet bungalow the accommodation is exceptionally flexible and can be configured as either a 4 or 5 bedroom property depending on your own personal requirements. The large entrance hall with open grate fire greets you into the property with a staircase rising to the first floor and storage cupboard under. From here a door opens to a dual aspect room which can be used as a fifth double bedroom or a dedicated dining room. The principal reception room is triple aspect with windows to both side elevations and French doors opening to the rear garden. The centrally positioned kitchen has a door opening to the garden, a window overlooking the garden and a useful walk in pantry cupboard. Moving down the inner hallway there are another two double bedrooms, one overlooking the front and the other the rear. On the ground floor is a family bathroom fitted with a three piece suite and with windows to the rear and side.

#### First Floor

The landing area of the first floor has doors opening to a further two double bedrooms. The principal bedroom boasts not only a whole bank of fitted wardrobes with ample hanging and storage space, but also an extensive and easily accessible eaves storage and a good size ensuite shower room with a window to the rear. The other first floor bedroom is 'L' shaped with a window to the side and a Velux window to the rear. The main bedroom also has excellent views across Berkhamsted School playing fields and towards Ashlyn's secondary school beyond.

#### Outside

To the front of the property is driveway parking for several cars and double doors opening to the garage which has power and light. There is a garden area which is laid to a combination of lawn and mature beds and borders. The rear garden is an excellent size and exceptionally private with a range of mature planting and specimen trees running along both side and rear boundaries. The main portion of the garden is laid to lawn while an elevate patio area directly to the rear of the house makes the ideal space for outside entertaining.
