Location

Berkhamsted itself is a busy market town, located to the West of Hertfordshire and just 30 minutes from London by train. Perhaps the town's most prominent role in National affairs came in 1066 when William the Conqueror handed the English Crown. Berkhamsted Castle was built following the granting of the crown, and famous names associated with it include Geoffrey Chaucer who was Clerk of Works, and Thomas Becket who was Constable of the Castle in the 12th Century. Substantial ruins of the Castle still remain today.

Transport links

Today, the town is highly desirable for commuters, with excellent transport links by road and rail. The mainline train station provides a regular and direct link to London Euston in a little over 30 minutes. Major road connections nearby include the M25 (J20) and the M1 (J8 and J9). The A41 dual carriageway runs to the South of the town, providing an excellent connection to Hemel Hempstead, Watford, Tring and Aylesbury.

Education

A wide range of education options are available in Berkhamsted and the surrounding area. A mix of comprehensive and independent institutions from nurseries and primary schools to secondary schools and colleges make this area an ideal place for families. The little ones can attend one of the many Outstanding primary schools such as Westfield Primary and Nursery and St Thomas More Catholic Primary. Swing Gate Lane Primary and Thomas Coram middle are on your doorstep! The local secondary school, Ashlyns, caters for older children as well as providing a sixth form.
