Ground Floor

The front door opens to an entrance lobby which in turn leads directly to the inner hallway which has doors to all ground floor accommodation and stairs rising to the first floor and descending to the lower ground floor. The kitchen/breakfast room is positioned at this level and has two windows to the rear giving elevated views over the rear garden. Both the snug and the dedicated dining room at this level could also be used as bedrooms and are further complimented by a home office and a bathroom.

Lower Ground Floor

As you descend to the lower ground floor hallway a door opens to a simply magnificent principal reception room which has patio doors opening to the rear garden and a window overlooking the rear. There is another dual aspect bedroom on the lower ground floor with a window to the rear and one to the side with a door opening to the garden. This floor is also well served by the lower ground floor shower room. It is also worth noting that similar properties in the road have knocked this entire area to one large open plan kitchen/dining/family room and converted the shower room into a utility room.

First Floor

The landing area on the first floor has a door opening to a family bathroom that is fitted with a white three piece suite and has a Velux window to the rear - ideally placed for star gazing while you take a long soak in the bath! There is another bedroom at this level which has a window overlooking the front and boasting a walk in dressing room. The principal bedroom is also positioned on the first floor and has the advantage of a host of fitted wardrobes and an ensuite shower room.

The Outside

To the front of the property is a block paved driveway which can accommodate off road parking for several cars and leads to a garage with metal up and over door and a window to the rear. The front of the property is well screened by a variety of mature planting and hedging. A pedestrian gate to the side leads to the Southerly facing rear garden. Fully enclosed by a range of fencing the garden enjoys a very sunny aspect and has been landscaped with low maintenance very much at the forefront of mind. Mainly laid to flagstones the garden also has a lovely vibe created by the variety of herbaceous beds and borders with trellis and climbers.

The Location

Berkhamsted itself is a busy market town, located to the West of Hertfordshire and just 30 minutes from London by train. Perhaps the town's most prominent role in National affairs came in 1066 when William the Conqueror was handed the English Crown. Berkhamsted Castle was built following the granting of the crown, and famous names associated with it include Geoffrey Chaucer who was Clerk of Works, and Thomas Becket who was Constable of the Castle in the 12th Century. Substantial ruins of the Castle still remain today.

Transport Links

Today, the town is highly desirable for commuters, with excellent transport links by road and rail. The mainline train station provides a regular and direct link to London Euston in a little over 30 minutes. Major road connections nearby include the M25 (J20) and the M1 (J8 and J9). The A41 dual carriageway runs to the South of the town, providing an excellent connection to Hemel Hempstead, Watford, Tring and Aylesbury.

Local Facilities

There is a good range of leisure facilities in the area. There is walking and riding just minutes away in the surrounding countryside and on the National Trust's 5,000 acre Ashridge Estate, while nearby golf courses include Ashridge, Berkhamsted and The Grove. The area offers excellent schooling, including Berkhamsted School, founded in 1541, and Tring Park School for the Performing Arts. A rare and valuable additional benefit is access to Berkhamsted School's leisure facilities, including a gym, swimming pool and tennis courts, all conveniently located just around the corner.
