Ground Floor

On entering the porch a front door opens to the entrance hall. On the left hand side there is a useful utility room with plumbing for a washing machine, space for a dryer over and two large storage cupboards. A further door opens to a ground floor cloakroom which is fitted with a new white two-piece suite including a low level wc and wash basin and a full height storage cupboard. Moving back to the entrance hall there are stairs rising to the first floor landing with ample storage space underneath and doors opening to both the kitchen/breakfast room and the living/dining room. The kitchen is fitted with a range of solid wood base and eye level units which incorporate an electric oven and hob, sink unit with drainer and breakfast bar area. There is a window to the front and a large versatile storage cupboard. From here a second door opens to the living/dining room which is of excellent proportions, expanding the width of the property and boasting both a window and French doors to the rear garden.

First Floor

The landing on the first floor has doors opening to all three very generously proportioned bedrooms and to the modern family bathroom fitted with a low level wc, wash basin with vanity unit under and bath with independently operated, wall mounted, power shower unit and shower screen. Two of the bedrooms overlook the rear of the property while the third overlooks the front. In addition, there are two large storage cupboards, one housing the hot water cylinder.

Outside

To the front of the property is private driveway parking leading to the larger than average single garage which benefits from an electronically operated rolling security door. A pathway to the side of the garage leads to the front door and to an exceptionally private front garden area enclosed by high level hedging providing an excellent privacy screen. The rear garden has a flagstone patio leading to the main portion of the garden which is laid to slate shingle - ideal for low maintenance. There is a brick-built outhouse, and a number of mature beds and borders to the boundaries. While the southerly facing rear garden is fully enclosed by fencing a pedestrian gate opens directly to Hilltop Road which is an easy walk to Ashlyns, Thomas Coram and Swing Gate and Victoria schools.
