A three bedroom family home offering excellent potential to extend (STPP) located on this popular road.

Ground Floor

On entering the property you arrive in a useful entrance porch - the perfect place to take off muddy boots and wet coats before continuing through to the entrance hall. From here stairs rise to the first floor with a useful storage cupboard under. Doors provide access to the living/dining room and kitchen. The kitchen is fitted with a range of base and eye level units with space for a freestanding cooker and a door opening to the conservatory. The living/dining room is a dual-aspect room providing spacious and flexible accommodation. Sliding patio doors open to the conservatory. The conservatory itself is a well proportioned space with doors opening to the rear garden.

First Floor

Having climbed the stairs you find yourself on a spacious landing with doors opening to all first floor accommodation and with a window to the side elevation. The master and second bedrooms are both good sized double bedrooms with the third being a well proportioned single - ideal for a nursery or home office. The family bathroom is fitted with a white three-piece suite comprising WC, wash-hand basin and a shower cubicle.

Outside

A generous frontage is laid mostly to lawn with mature shrubs and bushes which could be paved to provide further parking if required. The driveway provides access to the single garage and offers parking. The garage is accessed via an 'up-and-over' door with windows to the rear and side access. There is a courtesy door providing direct access to the rear garden. The mature rear garden is 100ft in length and is planted with a range of mature trees, shrubs and bushes as well as a storage shed and greenhouse. A patio area at the bottom of the garden takes advantage of the views over countryside.
