The kitchen has been refitted with a range of base and eye level units with spaces for appliances, a door opening to the side and a window to the garden room. The dining room opens to both the living room, which benefits from a bay window and feature fireplace, and the garden room via sliding patio doors. The garden room is a large, bright space with French doors opening to the rear garden and a door leading to the utility room which has a door opening to the side access, a door opening to the shower room and space and plumbing for a washing machine and tumble dryer. The spacious landing provides access to all three bedrooms and the family bathroom which is fitted with a three piece suite comprising WC, wash-hand basin and bath with shower over. From the landing the loft is accessed via drop-down ladder and has been partially converted with a Velux window. A full loft conversion would require the necessary planning permissions.

**The Location**

Hemel Hempstead is a popular new town in Hertfordshire with a mixture of new, modern and older architecture and enjoys numerous open green spaces including the recently rejuvenated Jellicoe Water Gardens in the town centre.

Situated 24 miles to the northwest of London and conveniently served by the M1 and M25 motorways, Hemel Hempstead has quickly grown in popularity in the last few years. We have seen more migration from the London suburbs, largely due to its fantastic commuter links including the London Northwestern Railway Overground train to London Euston taking only 35 minutes. Both London Luton and London Heathrow airports are easily accessible via the M1 and M25 respectively. The town centre has recently been regenerated and is now a vibrant busy attraction. The Marlowes indoor shopping centre offers chain and independent shops whilst the outside Riverside boasts a number of larger chains.

The local area of Apsley is an outer district of Hemel Hempstead and is still a busy commercial centre. The Victorian shops that arose when it was a mill town now house news agents, public houses, restaurants and a range of small businesses. The former mill sites are taken up with supermarkets, retail parks and offices.
