The Location
Kings Langley, a village in Hertfordshire, lays claim to an extraordinary history. From its origins prior to Roman settlement and thriving Domesday community, through its Royal Palace in the 14th Century to a wealth of transport connections, farming and industry, the village can recount tales matched by few other places in the U.K. Situated on the southern edge of the Chiltern Hills and approximately 20 miles from the centre of London, Kings Langley is the perfect location for those seeking an area with excellent road and rail links yet the peace and tranquillity of a traditional Hertfordshire village. Kings Langley is split between the two local authorities of Dacorum and Three Rivers. Kings Langley is ideal for commuting into London by both rail and road. Well positioned for convenient access to the M25, M1 and A41, this is a rare opportunity in one of Hertfordshire's most desirable village locations, offering a turnkey home in a consistently sought-after setting.
