Ground Floor

On entering the property you find yourself in a small entrance porch with a useful cupboard for coats and shoes and a door opening to the main hallway. From here doors open to the Kitchen/Breakfast room and the Living/Dining room and stairs rise to the first floor. The kitchen is a large, square room which is flooded with natural light providing ample space for base and eye level units as well as an area for a table. The living/dining room is another light-filled room with a door opening to the rear hallway from where the garden is accessed as well as a large storage cupboard.

First Floor

The landing provides access to all first floor accommodation with the main bedroom being situated at the rear of the property. The second bedroom is a generous double and there are currently a separate WC and bathroom which could easily be combined to form a comfortable bathroom.

Outside

The rear garden is well sized and benefits from a storage shed and gated access to the car-port. The car-port itself is to the side of the property giving the new owner the potential to replace it with an extension to expand the accommodation (STPP). The front garden is laid mostly to gravel and could easily be converted to provide additional parking.
