GLEBE MEADOW

LONG MARSTON

GLEBE MEADOW IS AN EXCLUSIVE DEVELOPMENT OF NINE NEW HOMES, LOCATED NEXT TO THE CHURCH, IN THE SOUGHT-AFTER VILLAGE OF LONG MARSTON.

Combining attractive, spacious design with a generous specification and great quality of finishes, Glebe Meadow will appeal to discerning purchasers who would like the convenience of a new build property in an established village setting, without having to compromise on style.

Situated immediately adjacent to All Saints Church on Station Road, Long Marston, the development offers ready access to the open countryside as well as the local village amenities including the Queens Head pub, playground, primary school, cricket and tennis clubs.

The market town of Tring with its wider amenities is within 3.5 miles and Aylesbury is just 8 miles away. Both towns provide a large variety of shops, cafés, supermarkets and restaurants. Tring (4.5 miles) and Cheddington (3 miles) stations offer regular services to London Euston and Milton Keynes. Long Marston also offers easy access to walking along the nearby Grand Union canal, Tring reservoirs, College Lake, Ivinghoe Beacon, The Ridgeway and the Chiltern Hills. The road networks locally also offer easy access to the M40, M1 and M25 motorways for venturing further afield.

UNIQUE & SPECIAL

We look to ensure that every Laxton development is unique, combining bespoke architecture with its particular setting to create an attractive and well considered collection of homes, tied together with thoughtful landscaping to produce a real sense of place.

At Glebe Meadow, we have sought to design a small but striking development that complements its position adjacent to All Saints Church and provides a well-designed gateway to Long Marston as you approach the village on Station Road. At Laxton we always seek to use good quality materials combined with considered design, craftsmanship and attention to detail, to deliver unique, special and sustainable homes that fit in with their surroundings and yet stand out from the crowd.

LAXTON HOMES

Creating high quality, well built homes in desirable locations. Attractive homes that provide a great place to live for residents and a positive legacy for landowners. We typically focus on smaller scale, bespoke developments of around 5 to 50 homes, which complement their surroundings whilst standing out through the quality of design and finish.

LAXTON PLACES

Using our professional expertise and passion for delivering positive development to promote larger-scale, people-orientated developments through the planning system. Each development is individually designed and considered, drawing on their unique characteristics to bring a definite sense of place and local identity.

Working with landowners to maximise their land value through a focus on sustainable place-making and the thoughtful creation of identifiable and attractive new neighbourhoods, from 50-500 homes.

LAXTON COMMUNITIES

We are committed to delivering positive development which provides tangible benefits for the communities in which we develop. These benefits might range from improved infrastructure and landscaping to financial contributions towards education, leisure facilities and traffic calming. We are really proud of some of the improvements that we have delivered or committed to, including a zebra crossing in Aston Clinton, cycle path in Longwick and church car parking in Long Marston.

In addition we are delighted to be able to support a range of fantastic good causes and charities through our commitment to give away 10% of our net annual profit.
