**PLOT, POSITION AND POTENTIAL.** A rare opportunity to purchase a property with permission to extend.

[www.sterlinghomes.co.uk](http://www.sterlinghomes.co.uk)

**The Property**  
 Typical of a bungalow the accommodation is exceptionally flexible and is currently set up as a three bedroom property with the garage converted to a home office and store. The kitchen is positioned at the front of the property as is the family bathroom. At the rear a good size reception room overlooks the rear garden. The property benefits from planning permission to convert the attic space into two bedrooms and put a large single storey kitchen/family/dining room extension onto the rear of the property. Externally there is a large driveway to the front and an exceptionally private, Southerly facing garden to the rear.

**The Location**  
 Tring benefits from its own indoor swimming facilities and various well supported sporting clubs including cricket, tennis, football, rugby, hockey and running to name a few. It is also home to the Sir Walter Rothschild Museum which is part of the Natural History Museum. Tring is a lovely place to live with a warm and welcoming community spirit.

**Education In The Area**  
 The local educational facilities are excellent and include the renowned Tring Park School for the Performing Arts, Goldfield Infants and Nursery School (currently with an outstanding Ofsted and within a short walk of the property). Tring Secondary School (currently with a good Ofsted & outstanding for its sixth form) and it is also close by.

**Transport Links**

Tring railway station lies just over a mile away for fast and frequent services to London/Euston taking about 40 minutes. The A41 bypass provides a fast link to the M25 motorway (J20) and from there the national motorway network and international airports.
