A stunning semi detached Rothschild cottage in the heart of Wingrave with stunning views to the front over countryside and towards the Chilterns beyond.

Ground Floor
Boasting a wealth of character features and the flexibility of four reception rooms the current owners use the two reception rooms at the front of the property as a formal dining room and a formal living room - both of which have open grate fireplaces. The other two reception areas are being used as a study and snug which has a wood burning stove. The 'L' shaped kitchen is well equipped with a range of base and eye level units and granite work tops over. Additional features to the kitchen are the Rayburn and the Butler sink. A 'Lootility' room which has space and plumbing for the washing machine, wash basin and wc finish off the ground floor.

First Floor
A spacious galleried landing area has doors opening to all four double bedrooms and to a luxuriously appointed family bathroom which has the advantage of both a freestanding bath and a separate shower cubicle in addition to the wash basin and WC. Three of the four bedrooms are overlooking the front which provides stunning elevated views over countryside and towards the Chiltern Hills beyond. Additionally three of the four bedrooms also have fitted wardrobes while the principal bedroom has an ensuite shower room.

Outside
To the front of the property is a block paved driveway which extends to the side of the property and provides ample off road parking. The driveway leads to the detached larger than average garage which also has a pedestrian door into the garden. A pedestrian gate at the side opens to the garden which is westerly facing in aspect and has a large timber deck to one corner - an ideal space for entertaining, and is mainly laid to lawn while fully enclosed by a range of fencing.
