A rare chance to purchase a town centre character home with excellent scope to extend (STNP).

Ground Floor

A storm porch has a door opening to a dedicated entrance hall which has stairs leading to the first floor. A door opens to a spacious dining room which has a window to the rear, built in storage cupboard door to the kitchen and pocket doors opening to the dedicated living room which has a box window to the front and an open grate fireplace. The kitchen has both a window to the side and door giving direct access to the rear garden while being fitted with a range of base and eye level units and leads directly to a utility room which has a door to the cloakroom.

First Floor

The landing area has doors opening to all three of the bedrooms and to a spacious family bathroom which is fitted with a good quality three piece suite to include a bath, low level wc and wash basin. The main bedroom overlooks the rear garden while the other two bedrooms overlook the front of the property.

Outside

A low level characterful brick wall encloses the front garden area which is laid to paving with quarry tiled pathway leading to the storm porch. The rear garden is fully enclosed with fencing with gated access to the rear with a good size patio area directly to the rear of the house leading to the main portion of the garden which is laid to lawn with a mature specimen tree and herbaceous border to one side.

Potential To Extend

Several of the neighbouring properties have benefitted from converting the attic space into another bedroom and there is certainly space on the landing for a second staircase without impinging on any of the current bedrooms. There is also scope to square off the kitchen to make an eat in kitchen. Obviously this potential is all subject to obtaining the necessary building consents.
