The Property
Sterling are delighted to offer this superb family home to the market. The property was the show home for the development and as such benefits from upgrades throughout.

Ground Floor
You enter the property into a bright and spacious hallway with stairs rising to the first floor and doors leading to the living room, dining room, WC and the showpiece kitchen/dining/family room - an exceptional open plan space running the full width of the rear of the property with doors opening to the rear garden and the utility room which, in turn, has a courtesy door to the driveway.

First Floor
The landing has doors to all five bedrooms and the family bathroom. The master bedroom benefits from a fully fitted four piece suite.

Outside
There is a small front garden with a pathway leading from the driveway to the front door. The driveway itself provides parking for at least three vehicles and leads to the garage which has been converted to provide storage space at the front and a home office to the rear with a courtesy door opening to the rear garden. The rear garden is laid mostly to lawn with a large patio area directly to the rear of the property and a further patio area at the bottom of the garden - perfect for al-fresco entertaining.
