IMPORTANT AGENTS NOTE

The Vendors solicitors advise they have an acknowledgement from the Land Registry, confirming receipt of our first registration application and providing a prospective completion date of 27th July 2026.

They also advise however that they should be able to ask the Land Registry to expedite the application once a buyer is found and completion of the application would then be within 10 working days of acceptance of our application to expedite (providing no queries are raised).

Applicants should discuss this with their own legal representative as delays in conveyancing times could occur.
