Location

Whitemoor is conveniently between the villages of St Dennis and Roche. Both provide a good range of day to day shopping, social and educational facilities. The larger town of St Austell, main town of the area, is a drive of approximately five miles from the village and provides a comprehensive range of shopping, educational and social facilities together with mainline railway station, bus station, sports leisure centre, beaches, coastal walks and golf clubs. The A30, the main road that runs through Cornwall, providing easy access around and out of the county can also be found approximately three miles from the village. The property is located approximately $\frac{3}{4}$ of the way along Crown Road close to the village outskirts.

Directions

From St Austell head up through Trethowel to the Stenalees roundabout, heading left towards Roche on the new road. Follow the new road (A391). At the first roundabout take the left turning and then the next right hand turn. Follow the road to the T-junction with W A Allens tyre garage in front of you. Turn left and head up into the village of Whitemoor, along Cleers Hill which becomes North Road. The property will be found on the right hand side of the road. A For Sale board is erected for ease of identification purposes.
