THE COURTYARD, DUPORTH – KEY INFORMATION FOR BUYERS

Resident Controlled Freehold (In Progress) The estate freehold is currently being transferred from the insolvent developer to a new resident owned management company, following advice from two independent commercial law firms. This will give homeowners full control and transparency over the estate.

Section 106 (S106) Planning Agreement The development includes a 2018 S106 planning obligation originally signed by the developer. Important for buyers:

1. It is not a service charge
 2. It is not a leaseholder debt
 3. It does not create personal liability for owners
- The S106 relates to the freehold land, not individual flats. Once the freehold transfer completes, the resident controlled company will work with Cornwall Council to regularise and resolve the S106 through the standard statutory process.

Why This Benefits Buyers

1. Estate will be managed by homeowners, not an absent developer
2. Clear, transparent management going forward
3. Proper resolution of the S106
4. Clean LPE1 packs for future sales
5. Strong long term protection for all owners
