Location

Situated within walking distance of St Austell town centre and has easy road access to Truro and Newquay. In our opinion due to its private lane location, this property has the advantage of providing a safe area for children to play. St Austell town centre has been recently regenerated and offers a wide range of shopping, educational and recreational facilities. There is a mainline railway station and leisure centre together with primary and secondary schools and supermarkets. The picturesque port of Charlestown and the award winning Eden Project are within a short drive. The town of Fowey is approximately 7 miles away and is well known for its restaurants and coastal walks. The Cathedral city of Truro is approximately 13 miles from the property.

Directions

From St Austell head up and out onto Edgcumbe Road in the direction of Trewoon, follow the road up as the road bears to the left, take the right hand turn and into Trevoze Crescent, immediately taking the next right into Chy Pons, follow down the hill taking the right turn at the bottom of the no through road. Number twenty one is located at the end of the road nestled in the right hand corner..
