LOCATION

EXCELLENT TOWN CENTRE LOCATION. St Austell is the largest town in Cornwall approximately 40 miles from Plymouth and 14 miles from Truro. The town benefits from mainline rail services plus good road communications served by the A390. St Austell is approximately 6 miles from the A30 trunk road - the primary route linking Cornwall and the M5 motorway.

The subject premises are situated on Fore Street, St Austell's main shopping street. National retailers nearby include Subway, H Samuels Jewellers, SpecSavers, WH Smith & Boots. It offers an excellent trading position ideally suited to take advantage of the town's increasing footfall. St Austell town centre offers a wide range of shopping facilities. With St Austell's main post office now located in W H Smith, just a few yards from the premises, and continuing to offer an extensive range of services this will undoubtedly increase the pedestrian footfall in the centre of the town benefitting the position of this unit.
