Location

Bugle is a popular and expanding village situated some 6 miles North of St Austell and approximately 6 miles South West of Bodmin. The main A30 Trunk Road is easily accessible and the North and South Coast beaches are a short drive away. The village has a school, a range of shops, takeaways and recreational facilities. St Austell town centre offers a wider range of shopping, educational and recreational facilities. There is a mainline railway station and leisure centre together with primary and secondary schools and supermarkets. The picturesque port of Charlestown and the award winning Eden Project are within a short drive. The town of Fowey is approximately 12 miles away and is well known for its restaurants and coastal walks. The Cathedral city of Truro is approximately 18 miles from the property.

Directions

From St Austell head down through Stenalees and Higher Bugle, towards the traffic lights in the centre of Bugle. The property is located on the left hand side of the road before reaching the traffic lights. Parking is available on street in front of the property for viewers.

Accommodation

All measurements are approximate, show maximum room dimensions and do not allow for clearance due to limited headroom.

Outside

To the front there is a manageable area of lawn with hardstanding walkway flowing across the front of the property and providing access to the front door.

To the right hand side of the property there is a drive allowing off road parking for one vehicle and also access to a wooden garage. The air source heat pump is located to the side.

To the right hand side of the property a walkway provides access to the rear garden.

As previously mentioned either accessed via the walkway to the right hand side or via the kitchen, the rear garden is laid to hardstanding and well enclosed providing a good degree of privacy. Immediately to the rear of the property are two useful block and stone

built storage sheds. There is also access into the rear of the wooden garage (we were unable to measure the garage at the time of inspection). There is an outdoor tap.
