Location

High Street village is a small village on the outskirts of St Austell. The property is a short distance from St Mewan Primary School and Brannel Secondary School. St Austell town centre is within easy commuting distance of the property and offers a wide range of shopping, educational and recreational facilities. The property is well serviced by buses. There is a mainline railway station and leisure centre together with primary and secondary schools and supermarkets. The picturesque port of Charlestown and the award winning Eden Project are within a short drive. The town of Fowey is approximately 8 miles away and is well known for its restaurants and coastal walks. The Cathedral city of Truro is approximately 13 miles from the property.

Directions

From St Austell head out towards St Stephens, come through the village of Trewoon, passing The White Pyramid Public House on your right hand side. Carry along to Lanjeth and proceed on the road to High Street. Continue along this road passing the right hand turn to Foxhole. Some two hundred yards after this right turn, the property is located on the right hand side of the road with parking in front for viewers.

Outside

Conveniently situated, this non estate property offers a low maintenance garden to the front laid to granite chippings. This area allows off road parking options.

To the left hand side is the garage with additional parking in front. There is a raised granite chipped area spanning the front section of the low maintenance garden with established tree set within. A wooden gate provides pedestrian access into this area. A five bar gate also opens to provide access to the parking area.

The boundary is clearly defined with exposed stone wall to the front which flows around to the right hand side.

To the right hand side of the property a wooden gate opens to provide access to a useful covered storage area, this area houses the oil tank and offers additional storage options to either side. This area is currently used to house the wood for the wood burner.

To the rear of this store double doors open to provide access to the spacious rear garden. To the right hand side when exiting, two further gates open to provide additional off road parking with dropped kerb to the exterior/road side.

Immediately to the left hand side is the boiler cupboard housing the oil fired central heating boiler. Upon exiting the rear store, to the right hand side additional double gates open to provide further off road parking, this leads onto a granite chipped area. Beyond this is a red brick walkway which flows across the rear of the property to an elevated patio to the far left hand corner complete with outdoor tap.

Granite steps or brick walkway to the left hand side rise to allow access to the garden laid to lawn, with a continuation of the patio to the left hand side complete with a useful additional stone built outbuilding. Located to the far right hand side is a stone fixed BBQ, across the left, rear and right elevations is a productive planting bed well stocked with an array of evergreen planting and shrubbery.

This fabulous garden catches a great deal of sun.

A large, white, two-story house with a grey tiled roof and a large green lawn. The house features a prominent chimney on the left side and a large, rounded tree in the foreground. The lawn is well-maintained and shows shadows from trees off-camera. In the background, there is a stone wall and more greenery.
