Charlestown is a popular Georgian harbour side village situated around a picturesque inner and outer harbour with pebble beach, some two miles from St Austell town centre and has been the back drop of several feature films and TV series such as Alice in Wonderland, Doctor Who, The Three Musketeers and The Eagle Has Landed, largely due to its picturesque natural and unspoilt coastline surrounds. Charlestown has a hotel and guest houses, with excellent restaurants, and a selection of public houses. To both sides of Charlestown harbour there is the South West coastal footpath providing some wonderful walks with cliff top views and sandy coves and beaches. To the east lies the natural deep harbour port of Fowey with excellent boating facilities and with a range of excellent local shops and restaurants. Nearby is the beach of Porthpean which has its own sailing club.

Directions:

From St Austell head down to the village centre, past Penrice Academy on your right hand side and the turning left signposted Church Road on your left. Approximately 80 yards past this turning there is a turning into Galleon Court turn left here and the property will be located on the right hand side. It is best to park on Charlestown Road where there is a suitable space and walk to the property.
