Location

Roche is a popular village situated 6 miles North of St Austell and within 1½ miles of the main A30 Trunk Road, giving access towards the Cathedral City of Truro approximately 20 miles away. There are local shops, amenities, a school, sporting facilities and a Doctors Surgery all within a few minutes walk from the property. There are many fine walks to be enjoyed in the rear vicinity and both the Eden Project and Lost Gardens of Heligan are only a short drive away. St Austell town centre offers a wider range of shopping, educational and recreational facilities. There is a mainline railway station and leisure centre together with primary and secondary schools and supermarkets. The town of Fowey is approximately 13 miles away and is well known for its restaurants and coastal walks.

Directions

From St Austell head up through Trethowel to the Stenalees roundabout, heading left towards Roche. Follow the new road into the village, heading along Trezaise Road for approximately ¼ mile until you come to the football fields and playing fields on your right hand side and a mini roundabout. Go across the mini roundabout past the Rock Inn on your right and just before the Fish and Chip shop turn right and then take the next left into Mayfield Drive. Follow the road all the way down and through the development and as the road winds down you will notice a communal park and pond area plus two large central islands within the road. Carry on where 55 Mayfield Drive will be located on your right hand side just before the left bend towards the end of the no through road.

Outside

Located towards the end of Mayfield Drive, which is a no through road and located on the right hand side of the road just after the open green area. To the front a brick drive allows off road parking for one vehicle and provides access to the garage.

To the left hand side a wooden gate opens to provide access to the rear garden. The brick drive flows across the front of the property providing a walkway, to the left of this are a number of evergreen shrubs and to the right of the drive is an area of pebbles also well stocked with an array of evergreen plants and shrubs.

Garage

17'11" x 8'9" (5.48 x 2.67)

Electric remote controlled door. Wood frame door to the side elevation with inset single glazing providing external access. To the rear of the garage the previous owners have created a work space area with upright freezer to the left hand side. The garage benefits from light and power and offers eaves storage. The mains fuse box is located within the garage.

As previously mentioned either accessed via the lounge or via the side gate is the enclosed rear garden. Immediately to the rear of the property is a hard standing walkway providing access, off the lounge is an elevated decked area, slate steps then lead down to a sunken area of lawn.

A delightful feature of the property is the stream that runs across the rear boundary and down the left hand side. Agents Note: The current owners advise they have never had any issues obtaining insurance with the stream behind the property.

To the far left hand corner between the grass and the stream is a stone chipped area, referred to as "The Beach". There is a further slate hexagonal patio area to the left hand side.

Steps then lead up from this and joins the hard standing walkway which flows across the left hand side of the property and to the left hand side looking from the front, there is a paved patio area complete with external store and outdoor tap. As previously mentioned this is where the side door leads into the garage.

Boundaries are clearly defined with a slate stone wall to the left hand side which then becomes a Cornish Hedge part way down, the rear boundary is in the form of the Cornish Hedge. To the right hand side is a wooden fence all combine to provide a great deal of privacy. The rear garden is well stocked and needs to be viewed to fully appreciated.
