The Location
Fowey is regarded as one of the most attractive waterside communities in the county. Particularly well known as a popular sailing centre, the town has two thriving sailing clubs, a famous annual Regatta and excellent facilities for the keen yachtsman. For a small town Fowey provides a good range of shops and businesses catering for most day to day needs. The immediate area is surrounded by many miles of delightful coast and countryside much of which is in the ownership of the National Trust. Award winning restaurants, small boutique hotels, excellent public houses etc, have helped to establish Fowey as a popular, high quality, destination.

There are several excellent golf courses within easy reach, many world class gardens are to be found in the immediate area and the fascinating Eden Project with its futuristic biomes is just 5 miles to the north west.

There are good road links to the motorway system via the A38/A30. Railway links to London, Paddington, can be made locally at Par, and St. Austell and there are flights to London and other destinations from Newquay.

The Property
Offered to the market for the first time in 16 years, this lovely home has spacious accommodation arranged over 2 floors, with super views over neighbouring woodland, and out to sea.

Located in a sought after area of the town and with easy access to Readymoney Cove and beautiful coastal walks, this property is highly desirable in both location and size.

The front door opens to a porch with a door leading to the welcoming hallway and stairs to the first floor. A large window to the rear of the hallway allows in much natural light and offers a view to the rear garden. A door leads to an open plan dining room/kitchen creating a lovely everyday combined living space. With windows to both front and back of this spacious room, it is lovely and light with an island unit offering separation between the two areas.

The well appointed "L" shaped kitchen has a tiled floor and range of base and wall units containing an AEG double oven, gas hob and integrated dishwasher. There is space for a washing machine and tumble dryer. A door opens to the rear patio and a further door leads into the generous sized single garage.

To the other side of the entrance hall, a door opens to the sitting room, with large sliding door to the front patio and garden. There are further windows to both the front and side elevation.

Also accessed from the hall, there is a very useful study with window and aspect to the rear garden. A cloakroom has a tiled floor, WC and wash basin. A door opens to the rear patio.

Stairs rise to the first floor where the large landing has doors to all first floor rooms. A large picture window overlooks the rear garden.
