## 17 Lostwithiel Street, Fowey, Cornwall, PL23 1BE

An opportunity to purchase a 2 bedroomed property, situated a short distance from the Town Quay and amenities which are highlighted in Fowey's Official Visitor Guide.

Well presented, the property is ideal as a home for people working in Cornwall, or as a 'lock-up and leave' flat. Apart from the 'blue infrastructure' of the estuary, there is also the 'green infrastructure' of the very local countryside paths.

**The Location**  
Fowey is regarded as one of the most attractive waterside communities in the county. Particularly well known as a popular sailing centre, the town has two thriving sailing clubs, a famous annual Regatta and excellent facilities for the keen yachtsman. For a small town Fowey provides a good range of shops and businesses catering for most day to day needs. The immediate area is surrounded by many miles of delightful coast and countryside much of which is in the ownership of the National Trust. Award winning restaurants, small boutique hotels, excellent public houses etc. have helped to establish Fowey as a popular, high quality, destination.

There are several excellent golf courses within easy reach, many world class gardens are to be found in the immediate area and the fascinating Eden Project with its futuristic biomes is just 5 miles to the north west. There are good road links to the motorway system via the A38/A30. Railway links to London, Paddington, can be made locally at Par, and St. Austell and there are flights to London and other destinations from Newquay. There is also a local bus service where the bus stop is situated across from the Safe Harbour Pub, which is within a short walking distance of the flat.

**The Property**  
The property is held on a 999 year lease from 25th March 1976.  
The property is located on the first floor of the building and is one of three flats in the 'block'.  
Upgrades by the current owner since 2008 include: new stairs (with access underneath), new windows and external door (planning permission was granted) and new bathroom.

Externally, new insulated roofs were installed on the two flat roof portions of the 'block' in the Autumn of 2021. These roofs have the benefit of a 15 year icopal guarantee. Also, the external walls around the 'block; (painted over a decade ago) were cleaned.

Internally, recent investments in the property since 2018 have focused on energy efficiency comprising: LED lighting throughout the flat, installation of Dimplex Quantum electric heating and a new, highly energy efficient hot water tank.  
The flat is held on a 999 year lease.

The owner of the flat - like the owners of the other two flats in the block - is a Director of the management company that holds the freehold reversionary interest. Each of the 3 flat owners is responsible for one third of the maintenance costs and insurance costs. There is NO ground rent payable.

There is a management account fund. As at August 2025, circa £3K sits in the fund. In the years to come, there is the prospect of a further £6K benefitting the fund should the remaining flat owner wish to rent out his owner-occupied flat. The other two flat owners (17 Lostwithiel Street included) have already paid consideration to have the 'letting restriction' removed.

Accessed via galvanised steps leading to the front door, the hallway opens to a dining area with door leading to the kitchen. A further door opens to bedroom 2, currently configured as a twin bedroom.

A hallway leads through with doors opening to the principal bedroom with two windows to Lostwithiel Street, and on to the light and airy sitting room, which is dual aspect and offers a view down Lostwithiel Street and a glimpse of the Estuary.

There is also a newly fitted and stylish bathroom with WC, wash hand basin and shower.
