216 – 218 Shaw Road OL2 6EF

Summary

Amco Commercial is pleased to offer this well-located end-terrace commercial unit on the corner of Shaw Road and Fitton Street, Royton. It is a busy main road in an established mixed residential and commercial area.

The property gives around 1,414 sq ft of flexible space. At the front is a double glazed shopfront with a roller shutter and a carpeted trade counter/sales area with a suspended ceiling and LED lighting. Behind this are several interconnecting storage and workshop rooms with part checker-plate flooring and additional access from Fitton Street, which makes loading and unloading easy. There is also a staff kitchenette, a WC and useful basement storage.

Outside, there is a gated yard at the side and rear, and the shipping container in the yard is included in the letting. A small forecourt area directly in front of the shop gives parking and loading right outside the shutter, which is rarely found on this part of Shaw Road.

The unit suits trade counter, hire, retail, showroom, workshop or light storage uses, subject to planning. Royton town centre is close by, and there are good road links to Oldham, Rochdale and the wider Greater Manchester network.
