Summary

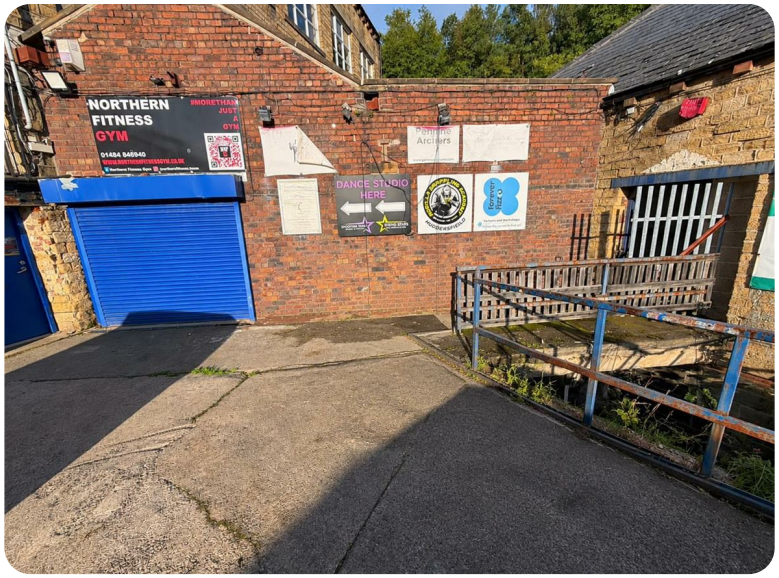

Amco Commercial are delighted to offer this spacious open-plan workshop of about 2,450 sq ft within Colne Valley Business Park, an established multi-let estate. A full-length pitched glazed roof on exposed steel trusses gives generous ceiling height and a lot of natural daylight. The result is a bright, open floorplate that suits a wide range of businesses.

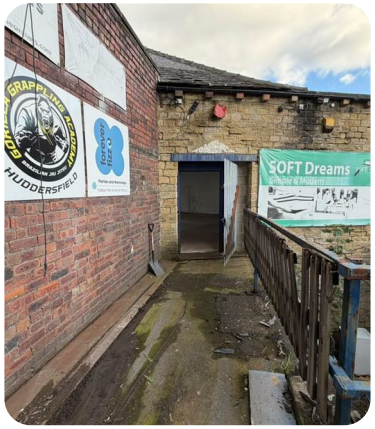

The unit has two ways in. A dedicated pedestrian entrance is reached by its own walkway with a secure gated door. Separately, wide double doors open straight into a communal loading area, which has roller-shutter loading bay access from the yard. That makes deliveries and bulky goods easy to handle, and the doors could also work as a main entrance.

Inside, there are partitioned office and store rooms, a kitchenette area and WC facilities. The rest is clear open space, ready for an occupier to fit out to their own needs.

The park already hosts a busy mix of fitness, martial arts, dance and trade businesses. This gives the estate an active, established feel and makes it a natural fit for leisure, creative and light industrial users.
