Price Guide £169,750

Successfully operating as an AirBnB over the last year, this well-equipped and presented holiday cottage has gained Super Host status and great reviews. Marketed on weekends only, there is now scope for new owners to build on this track record with extended availability.

18 New Road is a 2 bedroom mid-terraced cottage situated in the popular village of Ingleton, on the western edge of the stunning Yorkshire Dales National Park. The A65 provides easy access to the Lake District and the cottage is also ideally located for the Forest of Bowland and Morecambe Bay.

Furniture and contents are available, subject to offer, for the ongoing operation of this turnkey opportunity.

18 New Road

On the ground floor, a useful inner porch provides space for coats and boots and access through to a cosy living room. Off this, the stylish kitchen/diner is well-equipped for holiday makers, with access to a cellar for storage, along with a rear porch.

Stairs rise from the kitchen/diner to the first floor landing, providing access to double bedroom 1 and bunk bedroom 2, plus a contemporary shower room. Bedroom 1 has 2 good-sized storage cupboards and there's also a loft - accessed from the landing.

Outside, the rear porch provides access to a shared access way, where there is space for bins and seating.

Location

Ingleton is very much a gateway to the Yorkshire Dales and 3 Peaks Country. The spectacular limestone karst scenery is a real draw for outdoor enthusiasts. The village is the starting point for the famous waterfalls walk and Ingleborough can be ascended from the cottage. There's a good range of shops, pubs, bars and places to eat in Ingleton, along with an open air swimming pool in the summer months.

As well as the Dales, the cottage is ideally situated for great days out exploring the Lake District, Forest of Bowland and coast at Morecambe Bay. Nearby market towns include Settle and Kirkby Lonsdale - both with a Booths supermarket.
