Occupying a substantial sized plot on a highly sought after road in Stannington is this charming two double bedroom detached bungalow which is offered to the open market with no onward chain. A rare and exciting opportunity, as this will be the first time the property is available on the open market since originally built, the property has obvious potential to be fully renovated, extended or potentially even replaced by a new build house subject to the normal planning consents. It has been well maintained over the years, and benefits from gas central heating with a modern boiler, timber double glazed windows, and generous off road parking.

Briefly the accommodation comprises an inner porch which leads into an entrance hall, a 19ft lounge that has dual aspect windows and a stone fireplace, two double bedrooms which each have fitted cupboards, a bathroom that has a suite which includes a bath and a separate shower enclosure, and a kitchen diner that has space for a small table and chairs along with a pantry, and access to the rear garden.
