The sale consists of land extending to approximately 1.5 acres. Previously, it had planning for, and was used for, equestrian purposes.

More recently, it was used as agricultural land for grazing the owners pet livestock. Currently, it is kept mown and is used for the family's recreation.

The land is currently divided into 4 separate sections with stockfencing and gates, with one section containing a small orchard with a wide variety of regional fruits and nuts. It's boundaries are constructed of a mixture of stock fencing, hedging and dry stone walls.

It has an attractive sunny aspect, with outstanding south easterly views. Abutting it are other fields towards the north west.

The land boasts easy vehicular access from Stephen Lane.

There is off-road parking for at least two vehicles.

LOCATION

The land is located in Grenoside village with a host of amenities and transport links close by as well as local countryside and woodland. Easy access to Sheffield City Centre and the M1 motorway is also just a few minutes drive from the property.
