

## 69 Stanhope Park Road, Greenford, London, UB6 9LU

TWO BEDROOM SEMI-DETACHED – STRATEGIC SIDE & REAR DEVELOPMENT POTENTIAL (STPP) – NO ONWARD CHAIN

Arron James presents a rare chance to acquire a classic two-bedroom semi-detached home on the highly sought-after Stanhope Park Road. This property is specifically positioned for those looking to add significant value through a clever footprint expansion.

The Strategic Edge: Dual Access Potential

Rear Access Advantage: Uniquely, the rear of the property backs onto a car park. For a forward-thinking investor, this offers the potential for independent rear access (STPP)—a rare feature on this road that could support the development of a substantial garden studio or ancillary building with its own entrance.

Side Extension Scope: The unextended side plot provides the footprint needed to transform this into a much larger 3 or 4-bedroom residence, following the successful precedent set by neighboring homes.

Tenancy & Possession The property is being sold with an amicable tenant in situ. To ensure the smoothest transition

- Side Extension Scope: Clear space to the side for a substantial double-storey extension (STPP).
- Unique Rear Access: Backs onto a car park, offering a rare independent entry point for the garden.
- Dual-Use Potential: Scope for a rear garden studio/annex that doesn't feel "landlocked."
- Commuter-Friendly: Within easy reach of Greenford Station (Central & GWR), approximately a 20-minute walk or a short bus ride.
- No Onward Chain: A clean, fast-moving sale with no upward complications.
- Strategic Acquisition: Buy now while the Section 21 notice period runs concurrently.
- Prime Residential Road: A high-demand, consistent street in the heart of UB6.
- Priced to reflect current condition, with clear scope to add value.
- Step-Free Connectivity: Direct GWR links to Paddington and Central Line to the City.
