A Superbly Located Lifestyle Opportunity Near Morrab Gardens & The Seafront

Perfectly positioned at the prestigious Morrab Road end of Daniel Place, this first-floor period flat represents a fantastic opportunity for those looking to put their own stamp on a home. While the interior would now benefit from a program of cosmetic refreshment, the generous 570 sq. ft. layout and prime Penzance location make it a standout choice for investors or first-time buyers alike.

The Property is housed at the end of a characterful terrace dating back to 1900, the flat retains the high ceilings and light-filled proportions typical of the era.

Living Space: Two well-proportioned bedrooms and a bright lounge. Potential: A versatile attic space offers exciting potential as a "work-from-home" studio or hobby room (subject to the necessary consents).

*An Unbeatable Penzance Location
The true value of this property lies in its surroundings. Residents are mere seconds away from:*

The Seafront: A stone's throw from the iconic Promenade and the geothermal Jubilee Pool, offering world-class views across Mount's Bay.

It offers the rare chance to acquire a manageable home in one of Penzance's most sought-after pockets and add value through modernization.
