Property Description

Nestled in the heart of the town centre and set within a charming, historic brewery conversion, this impressive first-floor duplex apartment offers a rare blend of character, space, and convenience. Boasting three generously proportioned bedrooms and spanning one of the largest footprints within this quaint development, the property enjoys a highly desirable position with picturesque views over the neighbouring forestry and just a short stroll from serene riverside walks.

Upon entering, you're greeted by a spacious and welcoming entrance hall that flows seamlessly into a distinctive dining area adorned with original exposed beams, adding a rustic elegance to the space. A cosy balcony leads off the dining area—perfect for morning coffee or evening relaxation. The handmade pine kitchen is both charming and practical, offering ample storage, as well as an additional storage area above.

To the left wing of the apartment, two well-sized bedrooms are complemented by a modern shower room. Above one of the bedrooms, a cleverly designed loft space provides extra storage, accessible via a ladder. Descending from the dining area, the lower level reveals a spacious and beautifully lit living room. Adjacent to this is the master suite—a sizeable double bedroom complete with an en-suite bathroom and a versatile mezzanine level above, ideal for a home office or creative studio.

With two balconies, characterful details throughout, and an enviable location, this unique property offers a truly special lifestyle opportunity.
