Property Description

The property is approached via a hardstanding driveway providing off-road parking for one vehicle. Alongside sits a paved pathway bordered by a low-maintenance front garden laid with slate chippings and framed by a low-level brick wall, creating a neat and welcoming first impression.

A composite front door opens into a practical entrance porch, fitted with carpet and featuring a handy cloak cupboard housing the electrical consumer unit and smart meter, with pegs for hanging coats. A timber door leads into the bright and airy lounge, where a large picture window draws in natural light and offers pleasant views over the front aspect. A feature gas fireplace with a classic tiled surround, mantle, and hearth adds warmth and character to this comfortable living space.

The kitchen is accessible directly from the lounge and offers ample room for a breakfast table and chairs. There is space for both cooking and washing appliances, and while the kitchen would benefit from modernisation, it provides an excellent opportunity for buyers to create their ideal culinary space. A side door opens to a paved area, providing easy access to the rear garden.

From the inner hallway, you'll find two bedrooms and the bathroom. The principal bedroom is a well-proportioned double, offering space for freestanding furniture and benefiting from a built-in storage cupboard—perfect for linens and bedding. The second bedroom is a generous single, ideal for guests or use as a home office, and both rooms enjoy a peaceful outlook over the rear garden.

The bathroom has been adapted into a wet room, featuring a sealed non-slip floor and fully tiled walls in a contemporary finish. It is fitted with a wall-mounted

shower, hand basin, chrome heated towel rail and WC.

The rear garden is designed with low maintenance in mind, laid mainly with stone chippings and several paved seating areas. Mature trees at the rear provide privacy, while beyond them, lovely open views create a sense of space and tranquillity. A well-sized timber shed offers practical outdoor storage.

The property further benefits from gas central heating, double glazing throughout, and a boiler housed within the kitchen cupboard. Loft access is located in the bathroom.

Perfect for those looking to downsize or for buyers seeking a coastal retreat with scope to add their own personal touch, this charming bungalow offers peace, practicality, and potential in equal measure.

Services

It is believed the property is connected to mains gas, electric, water and sewage services although we recommend you confirm this with your solicitor.

Both full fibre and copper broadband are available to the property. Source - www.openreach.com/fibre-checker - as of 14-10-25
