Property Description

The property is approached via an attractive brick-paved driveway providing off-road parking for multiple vehicles, with the same paving forming a pathway to the front door. A neatly kept lawn sits alongside, complemented by established shrubs and a beautiful blossom tree that adds seasonal charm to the frontage.

A PVC entrance door opens into a porch with pleasant views over the front garden, offering a practical space for coats and shoes. A second door leads into the main hallway, where two useful storage cupboards are located—one housing the central heating boiler.

The lounge is a bright and comfortable room, illuminated by a large front-facing window. Featuring coved ceilings and a carpeted floor, the space is centred around an ornate timber mantelpiece with a stone surround and hearth, ideal for a freestanding electric fire. An open archway leads through to the rear extension, which forms a dining area with sliding doors opening directly onto the garden—perfect for entertaining or family meals.

The kitchen is fitted with contemporary farmhouse-style wall and base units, complemented by tiled splashbacks and wood-effect laminate worktops. Integrated appliances include an electric oven with gas hob and extractor hood, alongside a stainless steel sink with drainer and plumbing for a washing machine. The rear extension continues into the kitchen, providing ample space for a breakfast table and chairs, all with lovely views across the garden.

Both bedrooms are well-proportioned doubles. The primary bedroom enjoys a rear aspect with views over the garden and benefits from fitted mirrored wardrobes offering excellent storage. The second bedroom is equally

spacious, positioned to the front of the property, and offers flexibility for use as a guest room, study or hobby space. It also provides access to the loft.

The bathroom is presented in a classic style with white tiling and sections of PVC panelling. It comprises a WC, hand wash basin and a large shower cubicle fitted with grab rails, along with wood-effect laminate flooring.

Externally, the rear garden is a true standout feature. Enjoying a desirable south-west facing aspect, it is predominantly laid to lawn and bordered by timber fencing for privacy. A generous patio area provides the perfect setting for outdoor seating and dining, while additional sections of stone chippings and flowerbeds offer further scope for landscaping. A hardstanding base is ideal for a timber shed, and established shrubs add greenery and structure. A side lean-to provides useful storage and convenient access between the front and rear of the property, along with access to the single garage.

The property benefits from double glazing and gas central heating throughout.

Ideally located on the popular Kimmel Avenue development in Abergele, the property sits on level ground within easy reach of the local beach, park and town centre. A range of shops, cafés, pubs and leisure facilities are all close by, while excellent transport links—including the A55 North Wales Expressway, local bus routes and the nearby train station—ensure convenient travel along the North Wales coast and beyond.

Services

It is believed the property is connected to mains gas, electric, water and sewage services although we recommend you confirm this with your solicitor.

Full fibre broadband is available to the property. Source - www.openreach.com/fibre-checker - as of 19-3-26
