Property Description

The property is approached via a brick-paved driveway providing parking for multiple vehicles, framed by raised flowerbeds and an ornate brick boundary wall. A paved patio area leads to the garage, which benefits from its own RCD-protected power supply. Entry is via a south-west-facing conservatory, currently serving as a practical entrance porch or additional reception space, filled with natural light and finished with tiled flooring and PVC glazing.

Inside, the hallway provides access to the main living areas and staircase to the upper floors. The lounge is a well-proportioned and inviting room, centred around a prominent chimney breast with timber mantel and slate hearth, while a large bay window draws in sunlight throughout the day.

The kitchen is both functional and well laid out, featuring tiled flooring, timber wall and base units, laminated worktops and a range of integrated cooking appliances. Dual-aspect windows ensure the room is bright and airy, with ample space for an American-style fridge freezer. A rear pantry offers excellent additional storage and provides direct access to the garden. There is also a useful utility room with WC, plumbing and power for laundry appliances, and the potential to be reinstated as a full shower room if desired.

The first floor hosts two bedrooms and a modern family bathroom. The primary bedroom is a generous double with dual-aspect windows, including views towards the Little Orme, and retains period character with coved ceilings and an ornate fireplace. The second bedroom is a bright single room with excellent natural light. The family bathroom is stylishly finished with contemporary tiling, a full-size bath

with overhead shower, wash basin, WC and a large window.

Rising to the second floor, the dormer-converted bedroom is an impressive space, completed by the current owners with the relevant permissions available for inspection. This expansive room enjoys uninterrupted west-facing views towards the Little Orme, offering spectacular sunsets, and comfortably accommodates a king-size bed along with substantial furniture.

Outside, the rear garden is designed for low maintenance and privacy, arranged over tiers with paved seating areas, raised timber beds and secure boundaries. There is access to the garage via a side door, and a right of way is in place along part of the hardstanding area. The garden is private, enclosed and ideal for outdoor relaxation.

Situated close to the coastal path, the property enjoys easy access to Old Colwyn town centre, with its selection of shops, cafés and pubs. Excellent transport links are available nearby, including bus routes and Colwyn Bay train station, making this an ideal home for both commuters and lifestyle buyers alike.
