### Property Description

As you arrive, a hardstanding driveway provides parking for up to three vehicles, flanked by neat lawned areas that enhance the home's kerb appeal. Stepping through the UPVC front door, you are welcomed into a bright entrance hall with laminate wood flooring, complete with a convenient downstairs WC, space for coats and shoes, and internal access to the integral garage.

The lounge is a wonderfully spacious and light-filled room, featuring a large bay window and elegant coved ceilings. At its heart sits a gas fire with a wooden surround and marble-effect hearth, creating a cosy focal point. An open archway flows effortlessly into the dining room, offering ample space for a large dining table and additional furnishings—perfect for entertaining. From here, sliding patio doors lead into a thoughtfully upgraded conservatory, now a true year-round living space with an insulated roof, exposed brick walls, and the added comfort of heating and electricity. Double doors open out onto the garden, further enhancing the indoor-outdoor connection.

To the rear of the property, the kitchen is both spacious and stylish, featuring tiled flooring and a range of soft-close wall and base units. A cleverly adapted storage cupboard accommodates an American-style fridge freezer, while integrated appliances include a double electric oven, five-ring gas hob, and dishwasher. With both double patio doors and a side access door leading to the garden, this is a bright and practical space for everyday living.

Upstairs, the landing provides access to all four bedrooms and the loft. The principal bedroom, positioned at the front of the property, is a generous and elegant space with room for a king-size bed and freestanding furniture, complemented by coved ceilings and modern radiators. It

also benefits from a stylish en-suite with tiled walls and flooring, and a walk-in shower.

The second bedroom is another comfortable double with built-in storage, while the third bedroom offers versatility as a bedroom, home office, or hobby room, complete with fitted wardrobes and plenty of natural light.

The fourth bedroom, currently used as a home office, is bright and adaptable, suitable for a range of uses.

Outside, the rear garden enjoys a sunny aspect, making it a perfect space to relax and unwind. Designed for low maintenance, it features a combination of lawn and paved areas, with high timber fencing providing privacy. There is space for planting along the borders, a garden shed for storage, and two side gates offering convenient access to the front of the property.

### About Kinmel Bay

Kinmel Bay, also known as Bae Cinnel, is a popular seaside resort situated on the beautiful North Wales Coast.

The town was originally called Foryd before it grew in size, and was named after the former train station.

A ship, La Nave Reyes said to be part of the Spanish Armada and under the command of the Duke of Medina Sidonia, sunk in the River Clwyd near Kinmel Bay in 1588 with the loss of 220,000 pesos of gold and silver. These coins are still being found today!
