- Spacious three-bedroom terraced home with additional converted loft space
- Bright and airy through lounge with modern wood flooring
- Extended contemporary kitchen with sleek white cabinetry and marble-effect worktops
- Open-plan kitchen/dining area with direct access to the private rear garden
- Three well-proportioned first-floor bedrooms, including a generous principal bedroom with fitted wardrobes
- Modern fully tiled family bathroom with walk-in shower
- Versatile loft space ideal as a fourth bedroom, office, or guest room
- Private rear garden with decking and patio area, plus garden shed

Situated in the heart of Harlington, this well-presented and spacious three-bedroom terraced home with an additional loft room offers generous living accommodation, excellent transport links, and superb potential for families and investors alike.

The ground floor features a bright and welcoming through lounge, beautifully finished with wood flooring and neutral décor, creating a warm and modern living space. A large front window allows plenty of natural light, while the layout offers ample room for both relaxation and entertaining.

To the rear, the property boasts a modern extended kitchen/dining area fitted with sleek white cabinetry, black marble-effect worktops, integrated appliances, and plenty of storage. The dining area comfortably accommodates a family table and provides direct access to the private rear garden — perfect for indoor/outdoor living.

Upstairs, there are three well-proportioned bedrooms, including a generous principal bedroom with fitted wardrobes. The family bathroom is fully tiled and features a contemporary suite with a walk-in shower.

The loft has been converted and is currently used as an additional bedroom/office space, offering versatile accommodation ideal for working from home, a guest room, or hobby space.

These particulars, whilst believed to be accurate are set out as a general outline only for guidance and do not constitute any part of an offer or contract. Intending purchasers should not rely on them as statements of representation of fact, but must satisfy themselves by inspection or otherwise as to their accuracy.
